

the Skaneateles Library

This month we are happy to say that there are now several new offerings for kids! We now have Wonderbooks, Launchpads, Explore the World Backpacks and two new Discovery Backpacks.

Wonderbooks are picture books that come with audio built into the book so that kids can listen and follow along with the words on the page.

Launchpads are preloaded tablets with educational games to help kids learn and have fun at the same time. They don't connect to the internet, so parents don't have to worry and it makes them perfect for car rides!

Explore the World Backpacks are curated kits made by Kids & Teen Librarian Mary Beth Schwartzwalder. Each backpack will help kids explore a different country. We currently have Mexico, Russia, Nigeria and the United Kingdom available, more are coming soon.

Discovery Backpacks are located in the Middle Reader section. The new kit themes are weather and games!
